

# Fortune Uchegbu

FRONT-END DEVELOPER

[fortuneuchegbu01@gmail.com](mailto:fortuneuchegbu01@gmail.com) • +234-811-708-1545 • [My LinkedIn](#)

Frontend developer with a solid foundation in HTML, CSS, Tailwind CSS, and JavaScript, honed through mentorship, self-directed learning, and hands-on project experience. Passionate about building clean, responsive, and user-focused interfaces. Currently deepening JavaScript skills and transitioning into frameworks and AI-assisted development. Eager to contribute to a growth-oriented team while continuously learning and improving.

## Experience

2024 – PRESENT

**Self-paced learning Program | Dot Campus Africa Ltd**

Scholarship-based learning with structured curriculum in frontend development.

MARCH 2025

**Volunteer | Harvest fields International**

Reached out to interior villages in Lagos and Ogun state for mission outreaches.

2023 – 2024

**Mentored Frontend Training**

Trained under a senior developer mentor with a strong emphasis on self-learning and design precision. Completed projects based on design mockups from Dribbble, using Tailwind CSS and semantic HTML.

2017- PRESENT(PART-TIME)

**Sales Assistant | Family Business – Retail Food Shop**

- Managed day-to-day sales of essential food items and household products in a high-traffic local shop.
- Handled multiple customer transactions simultaneously, developing strong multitasking, communication, and conflict-resolution skills.
- Maintained inventory records and flagged stock depletion to ensure timely restocking.

## Skills

HyperText Markup Language (HTML) • Cascading Style Sheets (CSS) • JavaScript (JS) • Design precision • Critical thinking • Research • Proficient with development tool stack

## Education

2023 - Present

**Bachelor of Engineering (BEng) | University of Lagos**
